

# **JAVA FULL STACK PROGRAM**

## Assignment Submission Instructions Guide

## Submission should be two files

1. A PDF document containing the following information:

- Your answers to the short answer questions
- A brief summary (1-2 sentences) of any challenges encountered (if any)
- Screenshots of the code's results or outputs

2. A .zip file that contains the following

- The `src` folder of your project
- Any other necessary or desired files that you wish to include in the .zip file.

## File Naming Standard

Format: `Week1Day1 – Firstname Lastname`

- Example: `Week1Day1 – Kason Xu.pdf`, `Week1Day1 – Kason Xu.zip`
